

Grand Buffet

Year	2014
Designer	Massimo Castagna

With Massimo Castagna's Grand Buffet sideboard, Acerbis reinterprets this classic Italian piece with elegance and practicality, adding LED lights and greater accessibility to the back of the compartments. Divided horizontally into two spaces, the upper compartment adopts the evolution of Acerbis' patented and unique Dual-Flap® opening system: one touch tilts the front panel to a 90 degree shelf, while part of the top lifts up for easy access.
